

Amaze yourself.
Amaze the world.

Original Content Intern (Los Angeles)

Job Summary

Imagine what you could do here. At Apple, new ideas have a way of becoming great products, services, and customer experiences very quickly. Bring passion and dedication to your job and there's no telling what you could accomplish.

Apple is looking for a dynamic and highly motivated Original Content Intern to join our team. Join the team that is responsible for launching original scripted and unscripted programming for Apple.

Apple has opportunities for undergraduate students who are passionate about pursuing careers in Entertainment and Media. As an intern, you will make an impact at Apple by developing yourself and collaborating with top industry professionals.

Key Qualifications

- Excellent written and verbal communication skills
- Proficiency with spread sheets (Excel/Numbers) and word processing programs (Word/Pages)
- Curiosity with a strong inclination to learn
- Great attention to detail and ability to multi-task in a dynamic environment
- Strong organization skills
- Be a self-starter and have a desire to learn the business
- Passion for media content (music, movies or TV) and entertainment

Key Responsibilities

During the summer, you will:

- Collaborate with the larger team on assigned projects
- Work every single day with high level executive assistants and provide support where needed
- Assist in project research and data entry
- Track entertainment industry trends
- Read and cover incoming submissions and material
- Provide submission and material feedback to executives

Education

You are currently enrolled in a degree-seeking program. Graduating on or after August 2019.

Apple is an Equal Employment Opportunity Employer that is committed to inclusion and diversity. We also take affirmative action to offer employment and advancement opportunities to all applicants, including minorities, women, protected veterans, and individuals with disabilities.
